Re: Building Trades Council, Kern, Inyo and Mono Counties
(Golden Queen Mining Co., Inc.), 31-CE-129697

**EXTENSION OF TIME TO FILE ANSWERING BRIEF TO EXCEPTIONS
& RESPONSE TO AMICUS BRIEF**

Charging Party's request for extension of time in the above-referenced case is **granted in part.**

On February 25, 2016, the Charging Party requested a 31-day extension of time for filing its answering brief to exceptions. This request was granted, and the due date for filing answering briefs to exceptions was extended to April 5, 2016. The Charging Party now requests an additional 41 days for filing its answering brief to exceptions and to file a response to the amicus brief in this case. As this is the Charging Party's second request for an extension of time, the due date for the receipt in Washington, D.C. of Answering Brief to Exceptions and Response to Amicus Brief is extended by 30 days to **May 5, 2016**. This extension applies to all parties.

In addition, should the Board issue an order granting the motion of North America's Building Trades Unions to file an *amicus curiae* brief in this case, the due date for the parties' response to this *amicus curiae* brief will be May 5, 2016, or 14 days after issuance of the Board's order, whichever is later. This extension also applies to all parties.
